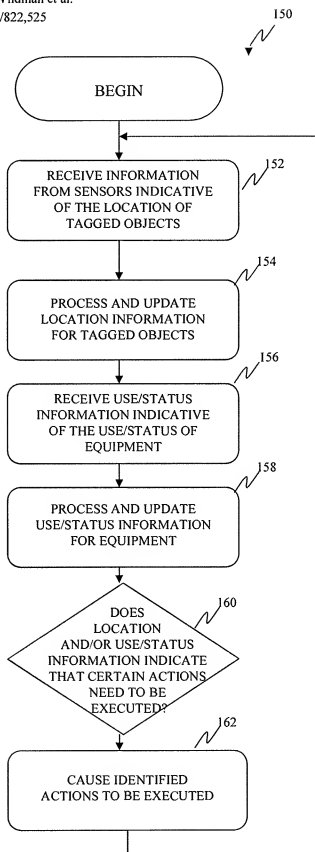

FIG. 5

A schematic diagram illustrating a geometric configuration within a rectangular frame 520. The frame contains several overlapping circles and specific points. A large circle 527 overlaps the right edge of the frame. Inside the frame, two smaller solid circles, 522 and 528, overlap each other. Dashed circles 526 and 536 are also present. Points 506, 508, 510, 524, 525, 532, 534, and 537 are marked. Arrows 529 and 512 indicate directions or movement.
